Have you spotted an exceptional young talent? We'd love to see them! We are running regular Talent ID days across Wales, and use a variety of exercises to:

- Provide an opportunity for young players to experience some aspects of the Performance Pathway.
- To assess junior players currently playing in local clubs and Local Authorities across Wales.
- To acknowledge their potential to become members of Badminton Wales.
- To find future Welsh players who will be competing on the world stage.
- To be able to give feedback to clubs and players to improve their abilities.
