

2022/23 Secondary Development News

Welcome Back!

Team BW is thrilled to be back for the new season! So far on the horizon, we have our two schools competitions, new schools awards and the chance to get involved at our Welsh International Badminton Championships! We'll be in touch with more info closer to the time, but feel free to get in touch with any questions!

Youth Leaders Award

The BWF Youth Leaders Award provides young people with a combination of leadership and badminton skills, empowering them to deliver safe, fun and inclusive badminton activities to groups of school pupils. The Shuttle Time Youth Leaders Award is aimed at students aged 13-18 years old and covers both badminton and leadership tasks. BW will deliver in school setting free of charge pending the school is able to provide a hall for 3 hours. Alternatively, we can provide you with the resources to deliver the course yourselves. Contact the team to book!

Teachers

We also have free training opportunities for teachers. Contact our team for more info and to get involved!

School Competitions

With the Autumn term underway, we're excited to see the return of our two school competitions! These are the Shuttle Time Competition and the Top Schools Tournament. These competitions are available in both North and South Wales:

Shuttle Time Competition

The Shuttle Time Schools Competition is aimed at grassroots players and open to all secondary schools in Wales. Students who are already within the Badminton Wales Performance Pathway are not able to take part – for these students we recommend our Top Schools event. Local Authorities are responsible for organising their own local event, where the Boys and Girls winners from years 7&8 and 9&10 go forwards to compete in the regional finals, usually held in March. Teams are made up of 4 players.

Top Schools Competition

The Top Schools competition is a higher level competition, inclusive of the Badminton Wales performance players. Each year there are 2 regional events, one in North Wales and one in South Wales, in October with the top 3 Boys and Girls teams progressing through to compete in the National Finals (usually held in Mid Wales in February.)
